Re: Account Number 5420-7611-6002-1224

To Whom It May Concern:

Enclosed is a check for \$50.00 to be credited to my account for my payment for the month of May 1999.

I am sending this payment in advance of receiving my bill because I will be traveling when the bill arrives and not returning in time to make the payment on the due date.

Thank you for your cooperation in this matter.

Sincerely,

Peter Brown
